

PROTOCOL

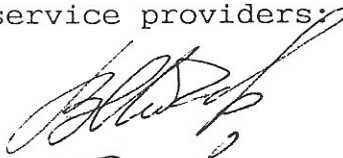

of the meeting of IP service providers:
Demos Plus, Techno, GlasNet, SovAm Teleport,
EUnet/Relcom, X-Atom
with the participation of RosNIIROS/RELARN

The representatives of IP service providers - Demos Plus, Techno, GlasNet, SovAm Teleport, EUnet/Relcom, X-Atom discussed the questions concerning the administration of RU domain and decided that responsibility for this domain should be handled to RosNIIROS as the non-commercial independent organization working in the field of computer networking. Now RosNIIROS is responsible for SU domain and performs the role of IP Registry for xSU/RU zone.

The representatives of service providers mentioned above decided to organize the Consultative Committee which will include all interested sides to coordinate the RU domain administrative activities.

On behalf of service providers:

Demos Plus
